

SURGEON COOLER CART

Instructions for Assembly

1. Confirm receipt of one of each of the following components:
 - Cart
 - Cart handle
 - Hex nut
 - Split lock washer
2. Secure handle to cart by inserting the handle post and pin into drilled holes on the side of the cart. Ensure the handle passes through hoop on the top rail when alining post and pin into holes.
3. Slide washer over the post and tighten nut to post using a wrench.
4. Hook storage basket to the top rail of the cart.
