

- ✓ **Easy to Use**  
Smooth sliding headpiece and telescoping rod allows the user to quickly and easily read the height measurement.
- ✓ **Durable Construction**  
Aluminum height rod withstands frequent use. Rigorous laboratory tests showed that the Healthometer® Professional 201HR lasts 2 ½ times longer than similar models.
- ✓ **Footpiece Positioner**  
Attached footpiece serves as a guide for heel placement and ensures accurate measurements.
- ✓ **Large Measurement Range**  
The 2" / 6cm – 90" / 230cm measuring range provides height readings for a wide range of patients.
- ✓ **Wall Mount Design**  
Installs easily and quickly with simple tools and provided hardware.
