THE BTPRINTERKIT-01

WIRELESS THERMAL PRINTER KIT

The Health o meter® Professional BTPRINTERKIT-01 allows practitioners to add wireless connectivity to their existing scale that communicates directly with a thermal wireless printer. The kit includes a wireless module for installation into the scale's display head that is specifically paired to the included wireless printer.

Kit includes:
- Wireless Module
  (for installation into the scale's
  display head)
- Thermal printer
- Battery charger for printer
- Roll of BPA-free thermal printer paper
- AC to USB wall power adapter

Communication Range:
- Up to approximately
  328ft/100m
